### Disclaimer

The tyre sizes listed under each model are the best fit recommended by the manufacturer. There is up to 7% difference in the moulds between tyre brands. Superior Industries insists that all customers fit snow chains before first use to check sizing is correct (snow chains need to be a tight fit around the tyre).

*Products may vary slightly from photographs.*

Accurate sizing is key to performance and validity of warranty. Please refer to these listings to ensure you choose the correct snow chains for your tyre size.
